Re: Request to Show Cause Why the WBO Should Not Suspend Juan Manuel López for a Year for Unsportsmanlike Behavior

Dear Juan Manuel Lopez:

The WBO World Championship Committee considers that the behavior and statements made by you, during the interview held after your WBO Featherweight title against Champion Orlando Salido, were totally lacking sportsmanship. The sense of the Championship Committee is that your conduct in making those comments warrants a one year suspension for your severe unsportsmanlike behavior. Please be advised that you have five (5) days to show cause in writing why this course of action should not be taken, i.e. Friday, March 16, 2012 by 1:00 PM EST.

Very truly yours,

Luis Batista Salas, Chairman
