**Re: Interim Medical Certification
Jr. Featherweight Contender Sam Goodman**

Dear Mr. Rose:

On January 11, 2025, WBO President Gustavo Olivieri, Esq., received an email communication regarding the subject fighter reporting an injury sustained during training. The injury, affecting his left eye, prevents him from participating in the scheduled bout against Naoya Inoue on January 22, 2025, in Tokyo, Japan. According to your email, Mr. Goodman is prohibited from engaging in any physical contact until April 11, 2025. His availability to compete is projected for either May or June 2025. Consequently, on behalf of Team Goodman, you are requesting that his WBO Mandatory Challenger status be upheld.

Having considered the foregoing, Team Goodman is **HEREBY ORDERED** to submit to the WBO, within the next 10 days from the issuance of this notice, a detailed explanation of his injury, including medical findings, recovery prognosis, and a statement from his licensed physician specifying when he will be physically and medically cleared to return to active competition. Failure to comply with this order will result in the Committee's intervention to enforce the WBO Regulations of World Championship Contests, and Mr. Goodman will forfeit all rights under these regulations without further notice or hearing.

In closing, this Committee reserves the right to render any further rulings necessary, appropriate, and in alignment with the purposes, policies, and intent of the WBO Rules and Regulations of World Championship Contests. This includes actions deemed in the best interest of boxing and the Jr. Featherweight Division.

If you have any questions or concerns, please do not hesitate to contact the WBO main office.

Yours truly,

Cc: Gustavo Olivieri Esq./President
Mr. Pete Mitrevski/Team Goodman
Mr. Akihiko Honda/Teiken Promotions
